

## *Cutting Crew*

*Originally formed in 1985, this Grammy nominated, Anglo-Canadian rock-band will always be remembered for their classic multi-million play songs “(I Just) Died in Your Arms” and “I’ve Been in Love Before”*

*Twenty two years later, with countless international radio plays to his name, original singer and writer, Nick van Eede, has signed brand new recording and publishing deals for Europe and the U.S.A. and he is finally back on the road promoting his brilliant new album, “Grinning Souls”*

*Did you know that earlier this year Cutting Crew played a sold out UK arena tour alongside ABC and Curiosity Killed the Cat?*

- *Did you know that Nick produced the original version of the international smash hit ‘Believe’ by Cher?*

- *Did you know that new pop sensation MIKA partly based his first single, ‘Relax, Take It Easy’ on Cutting Crew’s (I Just) Died In Your Arms so Nick is now a co-writer on another multi-million seller?*

- *Did you know that back in the late 90’s Nick was so fed up with the intrusion of the corporate world into the music business that he packed his bags and lived in Barbados for 4 years? During this stay he contracted Dengue Fever and nearly died and ended up running a small scale animal sanctuary from his big old house on the beautiful East coast of the island!!*

- *Did you know that co-founder of Cutting Crew, Canadian, Kevin MacMichael, tragically died of cancer a few years back and new album Grinning Souls is Nick’s tribute to his dear friend?*

- *Did you know that I’ve Been in Love Before has notched up 1.5 million plays in the US alone with (I Just) Died in Your arms at a huge 2.5 million in U S? Still counting for the rest of the World.*

*His new band are renegades from Roachford, Stomp, Chaka Khan & Eurythmics!! 2007 brought four Euro-tours and festival headliners alongside Supertramp, Paul Young, Toto, Level 42 Midge Ure, Paul Carrack & Alannah Miles...then playing with a full orchestra in Stuttgart and Munich and just returning from charity gigs in Canada & Tanzania. 2008 saw Cutting Crew play their first UK and US shows for many years. Later this year they fly to Trinidad, Oslo, and Budapest.*

*But above all it's the recent live show's ability to reach the hearts of crowds across the world that has brought such great reviews and reactions.*

*Listen to stellar new versions of their hits  
“( I Just) Died in your Arms”  
“I've Been in Love Before” & “One For the Mockingbird” at their MySpace site:*
